WHO WE ARE ?

LED is now recognized as one of the fastest growing and most experienced advertising agency (offering one stop shop solution for all online and offline advertising & marketing needs of its customers and prospects).

While we have successfully delivered numerous project in the area of online and offline advertising & marketing, we have also gathered vast knowledge base through continuous learning. we are specializes in design, event organizing, development of highly intuitive and professional websites, ad campaigns, marketing materials, corporate identity kit, brochures, leaflets, catalogues and prospectus for small and medium sized business organizations. We believe in walking with our clients at every step during the journey of development and success of their business.

WHAT IS OUR MISSION ?

Our mission is to generate demand for your product or service. Sound over-simplified? Maybe, but, maybe not. It's easy to find advertising that's flashy but lacks strategy, or, conversely, a campaign that demonstrates solid strategy that is weakened by mediocre creativity and branding.

But, a campaign that doesn't have everything will never generate the kind of demand your business needs and ... deserves. You deserve a firm that takes the time to learn about you, your industry and your customers.

Of course, we, too, are enamored by witty headlines and eye-catching design; in fact, we strive for it. But, ensuring that every component of a good campaign is represented what you can expect from LED Advertising.

WHY LED ?

LED is a dynamic marketing solution and advertising services agency with a clear vision and passion to be the preferred hub for marketers and advertising associates, we create and develop outstanding concepts and marketing strategies to increase your ROI and add tangible value to your brand equity. We take pride in our Dedication, Creativity and Premium Artwork, which distinguish us in every single work we process.

We will add real value to every single project we handle no matter the size or complexity of it. Premium quality of deliverables is our only way to stay distinguished in the market. We are marketers so we totally understand and respect the deadlines. Inspiring you with creative insights & directions is our passion.

OUR SERVICES ?

LED is a 360° services provider that provides full advertising services to help our clients delivering their messages as far and bright as they need. Our service range includes Events Organizing, Media Production Services, Signage, Printing, Production, Digital Marketing Services, Creative Solutions, Decoration and General Supplying.

We strive to not only meet our commitments and client expectations but to amaze them on every level by deliver exceptional value. Promote innovative and creative brand behaviour.
